## About IFNA

### International Federation of Nurse Anaesthetists (IFNA)

#### Mission

The International Federation of Nurse Anaesthetists (IFNA) is an international organisation representing nurse anaesthetists serving the public and its members.

The mission of the federation is dedicated to the precept that its members are committed to the advancement of educational standards and practices which will advance the art and science of anaesthesiology and thereby support and enhance quality anaesthesia care worldwide. The IFNA establishes and maintains effective cooperation with institutions that have a professional interest in nurse anaesthesia.

#### Vision

The International Federation of Nurse Anaesthetists (IFNA) is the authoritative voice for nurse anaesthetists, supporting and enhancing quality anaesthesia care worldwide. As professionals, nurse anaesthetists are recognised for their significant contribution to global healthcare as nurses, practitioners, teachers, administrators, researchers and consultants. The IFNA participates in the formulation and implementation of healthcare policy and the recognition of nurse anaesthetists as essential and cost-effective health care providers.

## The Australasian College of PeriAnaesthesia Nurses (ACPAN)

#### Mission

ACPAN's mission is to support and promote safety and quality in evidence-based practice, and foster collaboration in the perianaesthesia community.

#### Vision

ACPAN's vision is to be the recognised authority for excellence and leadership in perianaesthesia nursing care.

The Australasian College of PeriAnaesthesia Nurses (ACPAN) is the peak professional body and the industry leader for professional practice development, education and guidelines for perianaesthesia nurses across Australia and New Zealand.

Founded in 1994 as the Victorian Society of Post Anaesthetic and Anaesthetic Nurses group (VSPAAN), to provide education for perianaesthesia nurses, as other special interest groups were not addressing their perianaesthesia needs. In response to growing national membership, VSPAAN changed its name to ASPAAN in 2005 and in 2016 into the college ACPAN to strengthen reputation, provision of education and advancement of the profession of perianaesthesia nursing. ACPAN currently has more than 800 members across Australia and New Zealand and continues to grow.

# Message from the Chair

Dear Colleagues,

The Australasian College of Peri Anaesthesia Nurses (ACPAN) is delighted to host the World Congress of Nurse Anaesthetists (WCNA) 2026 in Brisbane, Australia.

Welcome to Brisbane, the capital city of Queensland, Australia's favourite tourist region, and future host of the 2032 Olympic and Paralympic Games! We are passionate about delivering an outstanding World Congress in 2026, aiming to make a lasting impact for all attendees.

Our goal is to engage anaesthesia and PACU nurses from across Australia, the Asia-Pacific, and around the world, offering exposure to world-leading specialists and opportunities to network with international peers. We are excited to showcase the achievements of nurses working in anaesthesia through a uniquely Australian lens.

The scientific program is already available and will include fascinating lectures and workshops on topics such as anaesthesia in Australian wildlife, the Royal Flying Doctor Service's administration of anaesthesia at 20,000 feet, and the traditional use of bush medicines by Australia's Indigenous peoples.

Accessing Brisbane has never been easier. Brisbane Airport offers an extensive network of direct international flights and is located only 20 mins to the city. Fly direct from e.g. Los Angeles or Tokyo to Brisbane, or from Europe to e.g. Dubai, Singapore, Qatar and then onto Brisbane, wherever you are travelling from there is a flight that suits your needs. A visa is required to enter Australia and this is made easy via the International Event Coordinator Network. We can help you with your visa application process.

Once you land, it's even easier to access Brisbane City via the AirTrain, taxi or uber. The AirTrain platforms and station services are a 5 min walk from the international arrivals' terminal and offer an efficient 20min service into the heart of the city and convention precinct. As an international congress delegate, you are offered discounts across our city transport networks, this includes the AirTrain. Once in the city the river ferry and bus services are also offered either free of charge or at a discounted rate allowing you to explore the city and its surrounds with ease.

**Vera – ACPAN  
President**

WCNA, Chair 2026

**Jackie Rowles -  
President of IFNA**

WCNA, Deputy  
Chair 2026
